Announces Honorees for the Terrebonne's Young Achievers Award**

The Houma-Terrebonne Chamber of Commerce announced today at their General Membership Luncheon the 5 honorees for the 2015 Terrebonne's Young Achievers awards. Receiving this honor were Jeff Bordelon, 33 year old Vice President of 33 years old Vice President of Marine Purchasing at EMR; Natalie Campbell, 34 year old owner of Campbell Technology Consultants, LLC; Paul Danos, 38 year old Executive Vice President at Danos; Mike Lewis, 39 year old owner of Big Mike's BBQ Smoke House; and Tanner Magee, 35 year old attorney with Magee Law, LLC.

The award, which started in 2014, is to recognize young professionals in our community under the age of 40, for their outstanding career achievements, community service impact, and their vision of what Terrebonne Parish can be.

"In establishing this award we wanted to recognize and show appreciation for the outstanding young professionals that we have in this community." said Stephanie Hebert, Chamber Board Chairperson. "These five are a great representation of our young professionals and we hope that this award will encourage them and others to strive for excellence and know that they are an essential part of Terrebonne Parish."

A panel of judges evaluated and scored each nomination on information provided in the following categories: reason for nomination, professional career achievements, community involvement, and vision and future aspirations for Terrebonne Parish. Nominees must be over the age of 21 and under the age of 40 as of December 31, 2015.
