

**CHAD HEBERT**  
2019 Chairman of the Board  
*Safeworx Safety Solutions, LLC*

I can't believe it has been six months already. I want to express my sincerest appreciation for the hard work and dedication from our board members, committee members, and staff. We have achieved so much within all of our committees so far this year, but we continue to work towards achieving all our goals for the next six months.

Two of our committees, Economic Development and Infrastructure/Government Activities, have been working hard to address issues that have come about this year. With approval from the Chamber Board of Directors, the committees composed a letter in opposition to Louisiana Department of Natu-

ral Resources investigations of possible environmental damage caused by energy companies within Terrebonne parish. The Chamber has taken a position against this investigation and support the Parish President's lawsuit filed against the parish's district attorney office and the Louisiana Department of Natural Resources. This letter addresses the Chamber concern with the ramifications of this investigations to the oil and gas industry which drives the economy of Louisiana and unquestionably drives the economy of Terrebonne Parish.

It's election year and the Chamber is gearing up to host forums to address candidates with important issues related to our members and the community. Members can voice their opinions and ask the hard questions to candidates by participating in Economic Development/Infrastructure and Government Activities committees. These committees will compile questions for each forum and work to ensure our members concerns are

addressed so that voters can make educated decision at the polls.

In recognition of July 4th - Independence Day, I like so many others will be celebrating United States of America's birthday. I appreciate the opportunity to live in a country where we can enjoy the freedom and right to express our opinion. It is important to believe in democracy and constitutional government especially during an election year. I encourage everyone to exercise your right to vote this fall.

Please have a safe and happy holiday!

## Member Milestones

July Anniversaries

**- 35 -  
Years**

Regions Bank  
Vida Paint & Supply, Inc.  
Walther Animal Clinic

**- 15 -  
Years**

Peppers Pizzeria  
Cajun Magic Truck Stop/  
Royal Flush Casino

**- 25 -  
Years**

Edward Jones- Lee Stiel  
Financial Advisor

**- 10 -  
Years**
